Now that we' ve been online for over two years,we get phone calls and emails ALL the time from hos and groupies that want to meet Pimpin' P. W have video after video of hos trying to get at P, but THIS video is special.So special, in fact that I HAD to put it on Preview and keep it RIGHT here. Lett me fill you in on the situation. I get a call from a ho out of California, saying that she wanted to meet P. I told the bitch that I would schedule her as soon as possible. She told me , "FUCK THAT", it couldn't wait because she was fucking with the Don Magic Juan. She didn't have much time. She said she had a thousand dollars for P, her own plane ticket, AND an offer he couldn't refuse. So I said "see you when you get here". This is an episode you CANNOT miss!! !.....Now Showing only on The Throw Back Bitch Channel Must Be over 18 Tune In To The all New Show Here each week Only on Chronic Central
